

WOULD SECURE ENDOWMENT OF BOYS' SCHOOL

More Teachers and Buildings
Needed at Military Insti-
tution in Kaimuki

An endowment fund, which would enable the institution to employ more instructors and make several needed enlargements, is, at present, the most pressing need of the Honolulu School for Boys, according to conclusions reached at the annual meeting of the trustees yesterday.

A special committee on endowment has taken the matter in hand, and expects to report back within a short time. The meeting was well attended, an important item of business being the election of Gerrit P. Wilder, John Waterhouse and Judge Antonio Perry as trustees. Reports of the standing committees, showing the school to be in excellent financial condition, were presented and accepted.

The trustees took over from the contractors the handsome new mess hall, armory and library, erected at a cost of about \$11,000. New tennis and basketball courts also have been erected. At the close of the meeting the cadet battalion, comprising about 60 boys, passed in review and was inspected by the trustees.

A new feature of the institution is a complete dental surgery. Dr. E. L. Hutchinson visits the school once a week. In about 10 days the governor and other officials will visit the school and present the battalion with a stand of the national colors.

ICE BOY CONFESSES TO THEFT AND GETS FULL YEAR IN JAIL

Kua Nui, the ice boy who was arrested on Thursday afternoon on a charge of burglarizing the servants' quarters of E. M. Ehrhorn, Manoa valley, admitted his guilt in police court this morning, and was sentenced to one year imprisonment.

Nui will be 21 on his next birthday. He was sent down to the juvenile court yesterday, but Judge Whitney decided the case should properly come before the police judge. Several thefts have been reported in Manoa valley during early morning hours of late, and the police feel that this arrest may cause a cessation.

The calendar this morning was short, and all cases were disposed of by 10 o'clock. The case of Charles Matsui, Hawaiian-Japanese, charged with the theft of an automobile belonging to H. E. Spicer, went over until next Wednesday at the request of his attorney.

BOND ISSUE MESSAGE BEING WORKED OVER

Mayor Lane's message to the supervisors recommending that a special election be held on the proposed \$750,000 bond issue is undergoing several important changes today. "A talk I had with the first deputy city attorney showed me the necessity of several important alterations in the text of the message," the mayor declares. "I still expect to have it ready for Monday night's meeting of the board, however."

SIGNAL COMPANY OF GUARD MADE INTO 'D' TYPE

Changes made through the enlargement of Field Company A, Signal Corps, National Guard of Hawaii, since former Lieutenant R. L. Noggle was the head as captain, with two first lieutenants, Jay C. Ramey and Robert Carlisle.

From a type C company with 40 men, and consisting of two wire sections, the company now becomes one of the D type, with 70 men and two wire and two radio sections.

Drill is held in the Palace grounds every Monday night, and has since organization consisted mainly of infantry drill. Within two weeks it is planned to begin practice in the fundamentals of signal work. A few more men are needed who can ride motorcycles, a despatch bearers.

All of the uniforms were distributed a Monday night, with the exception of the hats which will be ready next week.

ARRISON LEAVES FOR HILO TO MEET GROVER

Superintendent of Hydrography George K. Harrison will leave on the Kona Koa this afternoon for Hilo, meeting Chief Engineer N. C. Grover of the hydrographic division of the United States Geologic Survey, who will arrive on the Great Northern in Hilo tomorrow morning.

Mr. Grover, who is the author of several books on hydrographic subjects, will make his first inspection trip over the islands on this visit. In company with Mr. Harrison he will make a round-the-island tour of Hawaii, looking over conditions there. The two will arrive in Honolulu next Friday morning.

SELECT EIGHT YOUNG ORATORS FOR BIG FINALS

Eight boys of Mills school were chosen last night in the preliminary declamation contest to compete in the regular annual contest for the Wall & Dougherty cup, which bears the names of winners of the contest for the last three years.

Those chosen by the judges for the final contest are Ahn Soon Nam, Dang Tai Hee, K. Doi, Ten Char, Henry Lee, Park Tai Sool, August Puuliki, and M. Wataha.

The final contest will be held on April 1, and at this time separate recitations will be given. Last night all the boys were required to recite the same selections. Winners for the last three years are: Frank S. K. Lee, 1913; Hahn Young Lee, 1914, and Ahn Soon Nam, 1915.

Lei Aloha Chapter, No. 3, will meet in regular session tonight at 7:30 o'clock.

SIX-DELEGATE SLATE HAS MET SOME OBJECTION

Though a slate was arranged a week ago for Republican delegates to the national convention, the list of six then selected may be changed, and as several Republicans think that not more than two can be properly named, the territorial convention is likely to have some interesting questions to decide.

Delegate Kuhio said today that there seems to be a strong undercurrent in favor of naming not more than two. He frankly says that he is a candidate. Unofficially the story is that Kuhio is unwilling to go to Chicago as representing West Hawaii, which was on the slate originally fixed up, and that he insists on running for Oahu. He would not discuss this today.

If only two delegates are sent, the leading candidates now are Kuhio from Oahu and C. A. Rice from Kauai, but several other influential and "wheelhorse" Republicans will be greatly disappointed if they don't get a chance to go.

NOTABLE FIGURE, GASSAWAY DAVIS, CALLED BY DEATH

(Continued from page one)

The great wealth of Senator Davis, estimated at \$30,000,000, was acquired by his far-sightedness and his ability to take advantage of opportunities. He was the eldest of five children, and at an early age, on his father's death, became the bread-winner of the family. At 19 years of age he was a farm hand on a Maryland plantation, having relinquished opportunities for an education in favor of his younger children.

His great business career began when he became a brakeman on a freight train. His rise was rapid. At that time railroad trains did not run at night—it was too dangerous. At the approach of dusk they made for the nearest stations and waited for sunrise.

NO TITLE FOR ROSENBLUDT

Adverse report has been filed on the land court petition of Morris Rosenbludt for registered title. E. W. Sutton, examiner, declares that Rosenbludt has come title to the land in question, but not to the undivided three-sevenths interest, as the petition claims.

New petitions filed for registered title are: George R. Carter, one-fourth of an acre, Waihi, Manoa, valued at \$5500, and Mary Wentworth, 3150 square feet, Waihi, value \$3150.

TWO SLATES OF DEMOCRATS FOR NATIONAL MEET

Local Democratic headquarters are a-buzz these days in the matter of the Bourbon nominations for officers of precinct clubs, delegates to the big St. Louis convention and national committeemen, delegate and committeemen prospects appearing to hold the center of the field of interest.

As regards delegates, there are already two slates in the field. One of these, known as the "regular" slate, consists of L. L. McCandless, Jesse Uihli and M. C. Pacheco of Oahu; Morris Keohokalolo of Maui, David Zwaiko of Hawaii and a man from Kauai, to be selected by McCandless. Although A. A. Wilder is a candidate for a place in the regular delegation, whether Pacheco or Uihli will be asked to step aside to make room for him has not been decided.

Judge Wilder says he has consented to run at the request of friends both here and in Washington, although at a sacrifice to himself and his business. He declares he will make the race whether or not he receives the support of McCandless.

The second slate is known as the "Pihlham" slate, and consists of C. J. McCarthy, Bertram C. Rydenburgh and John Effinger of Oahu; Dr. J. H. Raymond of Maui, Ollie Shipman of Hawaii and J. K. Farley of Kauai. With the exception of Effinger and Raymond, all the men on the Pihlham slate are territorial officers.

MRS. HARRIET KEARNS RESIGNS POSITION AS MATRON AT WAIALEE

Further changes in the management at the boys' industrial school at Waialee were made possible today by the resignation of Mrs. Harriet L. Kearns, matron, which was accepted by the industrial schools board. No appointment to fill the vacancy was made. Supt. Frederick Anderson being asked to recommend some one.

The board authorized the purchase of a Ford automobile for use by Miss Sadie C. Sterritt, superintendent of the girls' industrial school, in parole and other work. Dr. C. B. Cooper was appointed to follow up the recent medical survey at the boys' school, as it is now planned to perform at the school such operations as may be recommended.

FUNERAL OF COL. AYER TO BE THIS AFTERNOON

Funeral services for the late Lieut. Col. Walden E. Ayer, 1st Infantry, who died on Thursday afternoon at Fort Shafter, were set for 2 o'clock this afternoon in St. Andrew's Cathedral. Pallbearers chosen for the services are Lieut. Col. Benjamin W. Atkinson, 2nd Infantry; Maj. Michael J. Lenth, 2nd Infantry; Maj. Francis E. Lacey, Jr., 1st Infantry; Maj. Charles E. Tayman, 1st Infantry; Maj. Frank H. Albright, 25th Infantry; and Maj. Guy G. Palmer, 35th Infantry.

Why Not Ask For The Best By Name?

You don't allow strange people in your house-- then why strange goods?

If a merchant is proud of his goods, he gives them a name and backs it up with his own.

He takes you into his confidence and tells you all about the thing he has spent so many years to perfect. He shows you how it merits your favor, and why it should command your purse.

In the advertising columns of THE STAR-BULLETIN you will find a number of standardized names. Help some progressive merchant to give you greater and greater value for your money, by asking for standardized goods.

Dodge Brothers Cars

The wheels of the car hold fast to the road, but do you know why?

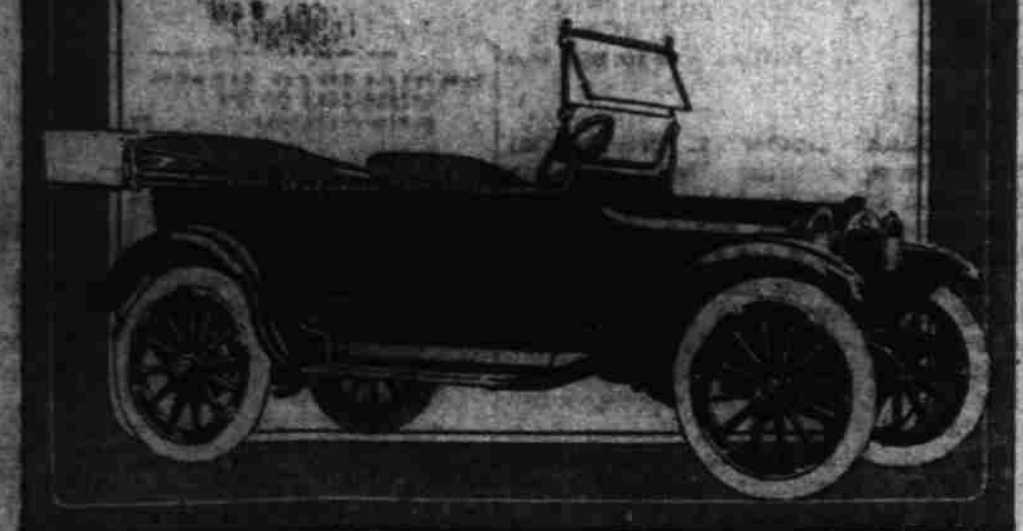

Light, strong steel parts and scientific distribution of weight holds the weight down to 2200 pounds and produces a perfectly balanced car. Lightness and balance result in roadability—and also in low gasoline consumption and high tire mileage.

The motor is 30-35 horsepower.

The price of the Touring Car or Roadster complete is \$785 (f.o.b. Detroit)
